

Greenville Gymnastics Booster Club

C/o Greenville Gymnastics
1311-C Miller Rd
Greenville, SC 29607

This letter is written on behalf of the young women of Greenville Gymnastics Training Center (GGTC) competitive team, a group of 90 highly dedicated athletes who practice as many as 18 hours per week. The commitment and discipline that each gymnast requires to advance through the competitive levels in this sport yields many lifelong, worthwhile by-products including: Perseverance, discipline, time management skills, teamwork and sportsmanship.

The Greenville Gymnastics Booster Club (GGBC) is a 501C-3 support organization that was founded to support amateur gymnastics and, more specifically, the GGTC competitive team. Competitive gymnastics is an expensive sport, one that requires team members and coaches to travel throughout South Carolina and the Southeastern United States. As is customary with most competitive gymnastics teams, the booster club works hard to raise funds to help defray these costs, as well as provide activities for the Gymnasts and also to promote the sport of gymnastics to the community.

We are asking for your help as a community business member to support our Booster Club. Each year GGTC host the Winter Invitational Gymnastics Meet in December. This competition strives to draw gymnasts of all levels from across the area. Proceeds from the competition are used to support the Booster Club and provide for the gymnasts throughout the season.

The GGBC needs your help to maximize the potential for each gymnast on the GGTC team, through sponsorship contributions and in-kind donations to help reduce the cost of hosting our meet. Beyond the tax deduction you receive, the exposure you will receive during our meet and on the GGBC website is unmeasurable! Last year we had over 400 gymnasts and their families and friends attend the meet. That is a great deal of people coming to the area! This year's meet is looking to be our biggest yet! We will be hosting this years meet at the TD Convention Center. Along with the exposure your business will receive, you also will be helping a group of dedicated young athletes achieve an admirable goal - Being the very best they can be! Over the years GGTC gymnasts have had great success in this sport. Each year we have numerous State Champions as well as Regional qualifiers.

Please review the back of this letter for sponsorship opportunities. Thank you for your time in considering a donations or sponsorship to help our team. It is through the generous support of people and businesses like yours, that our gymnasts have the opportunity to participate in this awesome sport and learn valuable lifelong lessons. If you have any questions about sponsorship, please feel free to contact me.
